

ONE LAKH HANDS

Look at the Sky. We are not alone.
The whole universe is friendly
to us and conspires only to
give the best to those who
dream and work...

Dr. A.P.J. Abdul Kalam

One Lakh Hands Project is to strengthen the Car Free Thursday campaign by reaching out to the employees who drive personal cars and motorbikes through One Lakh Handwritten Letters from school children. The need for children to be aware of the current environmental issues is crucial which can have a positive impact when people decide to take alternative commute at least a day in a week, and hopefully they cultivate the habit.
